## OUR EXPERIENCE

Our recognition systems allow us to create displays sturdy enough to meet today's needs with the flexibility to adapt to tomorrow's opportunities. And by investing in top-of-the-line technologies, we can meet any production challenge and maintain our reputation for quality recognition displays.

CREATIVITY. **INSPIRATION.** FUNCTIONALITY.

These are the qualities that set apart good recognition display design, and exactly the qualities you need to celebrate the accomplishments of your team and the donors... who make it all possible.

## AWARD RECOGNITION

The recognition award you choose to honor important individuals or groups says a lot about your organization and your values.

Since 1961, MD Designs has been the industry leader in recognition plaques and awards.

When you hold an award or plaque from MD Designs in your hands, one thing is immediately apparent: you are holding the highest quality product the industry has to offer.
